It is with great pleasure that I recommend to you Jeff and Elizabeth Owens, missionaries with Gospel Fellowship Association.

Jeff and his family have been faithful members of our church, Harvest Baptist of Rock Hill, since 2000. It has been my privilege to observe Jeff as he surrendered to God's call to missions, graduated Piedmont Baptist College, and then sought God for a place of service. Determined it was God's will for him to go to Papua New Guinea with GFA Missions, he raised support as a single missionary and went there in 2009. Very shortly thereafter, Elizabeth also answered the call to go to Papua New Guinea as a single missionary. God brought them together, they were married in 2011, and they have been serving together in this needy field ever since.

I assure you that Jeff has always demonstrated character that is steadfast and honorable. As long as I have known him he has been determined to do God's will, whatever the cost. He is an extremely hard worker, and has been a great asset to his fellow missionaries.

I urge you to consider supporting Jeff and Elizabeth so they can return to Papua New Guinea and continue the great work to which God has called them.

Sincerely,

Dr. Marshall A. Fant III  
Senior Pastor
